APPLICATION FOR WORKSHOP PLAY SERIES - TWO SLOTS AVAILABLE!

AT MAINSTAGE 2019 in PORT ALBERNI, BC

Deadline for receipt: April 30th

Enter your Zone Festival production for consideration as a Workshop Play at MAINSTAGE!

Workshop Play Application process:

The Workshop Play provides two performances, plus workshopping with a professional instructor. The play is performed on the afternoon of the first day, workshopped for the next day and a half, then the re-worked play is performed a second time on the third afternoon. Groups are given the same four-hour load-in as the Mainstage competitive plays. Performances are in a secondary/studio venue. This is a workshop/instructional opportunity that is more specifically focused on the process, rather than the performance aspect of the work.

Any play in any Zone that enters a Zone Festival can apply to Theatre BC for the opportunity of attending MAINSTAGE as a Workshop Play. If selected as Zone Festival 'Best Production', any entry would no longer be eligible for the Workshop Play. You cannot do both!

The criteria the Festivals Committee will use are:

1. The venue size and configuration may be considered, as some plays may not be suitable for the Workshop Play venue at MAINSTAGE.
2. A group applying for the Workshop Play must bring their complete production – ie: set, props, costumes, lighting, sound, etc., to be eligible.
3. The festival committee will select two applicants randomly by a draw.

All participants in the Workshop Play must register. They will be eligible for special pricing as per Winning Production Registration pass - \$72 registration fee/person which entitles them to full week pass.

The Workshop Play dates: All performances are scheduled in the afternoon (tentatively 2:00 pm) and the series is three days long from July 6 - 8, 2019 OR July 9 - 11, 2019. **PLEASE INDICATE YOUR DATE PREFERENCE, if any.**

Please include with your application:

- this form with completed information

- a cast & crew list, synopsis of the play and any additional information to be included in promo materials or the Mainstage program (we will request current program information if selected)

NOTE: the two published copies of the script supplied to your Zone Festival will be collected and forwarded to the Mainstage personnel on your behalf. There is no need to provide additional scripts.
